

# LET'S GROW SMALL HAPPINESS TOGETHER

"Our school is fun"

ITALY  
LITHUANIA  
ROMANIA  
POLAND  
TURKEY

When we asked our students how we can make learning more fun in school life, we received answers such as less fear, more love, loving ourselves, and being patient.

"Our school is fun"

They wrote down their happy memories and shared them with their friends.  
They made the activities they did at school fun.
